They insist that a perceptible increase in the activities hereabouts will soon be experienced.

E. A. Hodges, general manager of the Hodges-Cook Mercantile company, was called to Beaver City, Utah, very suddenly Wednesday morning by the death of his nephew, Stanley Hodges, and the serious injury of his brother Fred Hodges. Condemed Horses Stolen. Undersheriff Fitzgerald has been informed by the sheriff of Esmeralda county that several horses suffering with glanders and which had been previously condemned by the authorities of that county, have been stolen. It is also stated that the thieves have been traced towards Lincoln county, so it would be well for all stockmen to be on the lookout for these animals. One of the horses is described as an iron grey, weight being about 1400 pounds.

James W. Abbott is exhibiting a view of the town of Pioche which he has recently completed. It has been our pleasure to view many of these photos of Pioche, but the one exhibited by Mr. Abbott far surpasses anything in this line that we have ever seen.

Mrs. E. Kahn Dies Suddenly.

Elias Kahn of the Leader Clothing Store was called to Ogden very suddenly Tuesday, by the news of the death of his wife, which occurred that morning. The news came as a severe shock to Mr. Kahn, for although Mrs. Kahn had been in poor health for some time, the last reports were to the effect that she was improving, and nothing was known to the contrary until the receipt of the news announcing her death. We join with the community in extending our heart felt sympathy.
